## **Waitakere City Council**

### ○ **Civil Defence Building**

**August 2007**

We designed, supplied and installed this solar power and solar hot water system for the new Waitakere City Council Civil Defence building.

The system is made up of:

- 1050 Wp Solar Array made up of 6 x Sharp Solar 175W panels
- 1 x Sunny Boy 1100 inverter
- Conergy Solar Famulus Array Frames
- Beasley Centurion 315 litre Solar Hot Water System
